Greg Prendergast Memorial Foundation

Leaders and Values Scholarship

Greg Prendergast Sr. was an extremely accomplished teacher who was respected and loved by everyone who knew him. Greg taught for 20 years at Armada Middle School. He taught mostly math (favoring algebra & geometry) but also science, stock club, life skills and economics to 6th, 7th, and 8th graders. This foundation is honored to be able to continue Greg Prendergast's legacy by supporting students pursue their academic careers. Everyone who knew Greg knew him as someone who could be counted on. Both his friends and his students knew he was someone who would spend as much time as needed talking through any life decisions, big or small.

On March 26, 2009, Greg's life was cut short. He was remembered in the following days as being a man of honor, integrity, passion and unconditional love. He impacted the lives of many throughout his life, but also through his death. Imlay City teacher, Greg Prendergast II, and the members of the Greg Prendergast Memorial Foundation are dedicated to preserving this great legacy by providing academic scholarships to Imlay City students.
